Opening of Marathi Primary School at Shejebag

5. Sri B. P. KADAM (Karwar).—

Will the Minister for Education and Agriculture be pleased to state :—

(*a*) whether a Marathi Primary School at Shejebag, Majali in the Karwar Taluk was recommended to be opened along with a list of 8 (Eight) Kannada Primary Schools in December, 1966 ;

(*b*) if so, whether all the Kannada Primary Schools have been sanctioned and the Marathi School is denied sanction ?

A—Sri K. V. SHANKARA GOWDA (Minister for Education and Agriculture).—

(*a*) A Marathi Primary School at Shejebag was recommended during February 1967 and not in December, 1966, to be opened. But no Kannada Schools were recommended to be opened in Karwar Taluk.

(*b*) Does not arise in view of clause (*a*) above.

Sri B. P. KADAM.—May I know whether this Marathi school has been sanctioned since then ?

Sri K. V. SHANKARA GOWDA.—No, it has not been sanctioned.

Sri B. P. KADAM.—May I know why it has not been sanctioned ?

Sri K. V. SHANKARA GOWDA.—Because there are no sufficient number of students.

Sri B. P. KADAM.—May I know whether some other Kannada schools either from Karwar district or from other parts of North Kanara district had recommended in the list in which this school was recommended ? Whether any are sanctioned ?

Sri K. V. SHANKARA GOWDA.—Four are sanctioned.

Sri B. P. KADAM.—When the required strength is not there, why was a recommendation made ?

Sri K. V. SHANKARA GOWDA.—The strength is forty and therefore it was recommended.

Sri B. P. KADAM.— May I know whether it is not the policy of the Minority Commission and also the Government of India that so far as this is concerned, it is not necessary to have the required strength, but schools even with lesser strength may be sanctioned ?

Sri K. V. SHANKARA GOWDA.—No.

Sri B. P. KADAM.—What is the strength required for a Marathi school ?

Sri K. V. SHANKARA GOWDA.—It is forty.

Sri B. P. KADAM.—May I know whether schools for Marathi have not been sanctioned where the strength is less than forty in Karwar and Haliyal ?

Sri K. V. SHANKARA GOWDA.—I have no information.

Sri B. P. KADAM.—Then, why did the officer recommend it ?

Sri K. V. SHANKARA GOWDA.—He may recommend but it depends on other considerations whether a School can be opened or not.
